#### Part 3. Writing.

It was a perfect sunny day at the festival and it felt like nothing could go wrong. And, really, what may go wrong, when it's the 21<sup>st</sup> century.

The festival was placed on the big wasteland. Usually, nobody walks here, with the exception of some boys, who ~~wants~~ to play football or catches the grasshoppers, hiding in the rare dry grass. But now wasteland became happy-land with a bunch of air balloons. Sentry walked through crowd. He was tired.

Also, he hated holidays with all these air balloons. Clouds ran on the sky. Big heavy drops started falling down.

Raised the head, sentry saw the girl, danced under the rain. She was putting her hands up and happily laughing. Youngster smiled. He had never seen someone, who may be so happy to see rain.
