P. 3.

It was a perfect, sunny day at the festival and it felt like nothing could go

wrong. This festival was at last summer. ~~the~~ I  
and my friend decided to hang out together. I  
We took a lot of photos, had a huge number  
of food: ~~sweets~~ <sup>sweets</sup>, cookies, sweet  
water and so on. But we decided to have  
a roller skating. It's been a while, since I  
did it. So, I fell down. My leg was  
hurt so we've decided to go to the  
hospital. There we've known my leg to be broken.  
and I had to stay there for ~~12~~ <sup>some</sup> ~~50~~  
days. I was so sad at that moment, because  
it was summer, my favorite time. But when I  
got better, my friend decided to show me,  
how should I do roller-skating.
