5. Jo is studying art at the university. She usually goes to the cinema on Friday evenings. She enjoys films that are based on real life and from which she can learn something.

Jim Treace stars in this well-known comedy about two workmen who have to deliver a long piece of wood to a house. But unfortunately, the performances are poor, and the film is too long for such a simple joke.

B. The Ends of the Earth

A story is based on a real-life journey to the South Pole. This film contains some quite wonderful wildlife photography – make sure you see it while you have the chance, or you'll be sorry.
